Weekly Sets now at JHOP

On Thursdays and Sundays, the JHOP opens its Prayer Room for continual prayer and worship from 6 p.m. to 12 midnight. The family is excited to gather together and invite others to encounter God's presence. As they lead sets, JHOP team members are focusing on God and worshipping Him as well as learning how to host His presence.

PA HOPNET meeting 2025

All the Houses of Prayer gathered together in February for one day full of worship and prayer. This event was hosted by First Love Movement Church and its pastors in Hooversville, PA. Worshippers across Pennsylvania, from Philadelphia to Erie, gathered with the host pastors to encounter God's presence and pray for His will to be done in the state and across the nation.

The host pastors also shared their awesome testimony of God's hand and work in their community, which brought encouragement and inspiration to many, including those from Harrisburg Justice House of Prayer.

Similar to the host pastors' testimony of God's provision, JHOP is believing that God will provide a building. Will you join us in prayer and expectation for God to move and provide? Thank you!

Time of Consecration

The family at JHOP participated in a three-day fast and time of consecration and seeking the Lord from Jan. 9-12. Each night, JHOP gathered for a short time of worship and prayer. Each person all involved felt times of refreshing and renewal from the presence of the Lord.

Harrisburg JHOP Fellowship Dinner

In February the JHOP family gathered on a Sunday evening for an opportunity to fellowship, share conversation and grow together in community. The Encounter God service immediately followed, and everyone quickly and feely encountered and experienced a strong presence of the Lord.
