Weekly Sets *continue*

Our Thursday evening classes and sets have been going very well. Each Thursday evening we have a class for 6-7:30 p.m. On the first Thursday we are studying a book, titled “So You Want to be a Worship Leader?” On the second Thursday, we are having a hands-on music class. Teaching on the House of Prayer and related topics is the subject of the class on the third Thursday. Lastly, the month concludes with a family worship/prayer set. If there is a fifth Thursday, a kids’ worship/prayer set is hosted.

God’s been drawing deeper

Every time JHOP gathers it seems like the Holy Spirit is taking us somewhere. There have been incredibly deep times of worship and prophetic flow as we focus on lifting up the name of Jesus over Harrisburg and our state. We have been focused on the prodigals coming home as well as family members who will come back to Jesus and accept the call on their lives. We have had a very strong sense that the harvest season is here and people are hungry and desperate for God.

We have also had many encounters with the Lord drawing us into a spirit of wisdom and revelation. Many are hearing and seeing God in a deeper way than ever before.

JHOP members also see how so many in the church are growing weary and we have been praying for the strength to stand in this season. We hear the Lord saying “don’t quit.” God has a plan and the enemy wants to shut you down before it ever gets going. Now is not a time for discouragement but encouragement because Jesus is Coming soon and we need to have oil in our lamps.

Lastly, we have been praying for healing for one of our family member’s brothers, who had some kind of cancer. He got a clean bill of health. “Praise The Lord!” Jesus is still healing today!

Strategic Time for Pennsylvania

At JHOP, we believe that Pennsylvania is always a influential state for the nation, but especially now. Based on a prophetic word from Chuck Pierce, we believe God’s eye is on our great state. During this time, please continue to pray for the citizens, churches and houses of prayer in Pennsylvania.
