Guest minister shares at JHOP

Dennis Reanier, a visiting minister, came to Harrisburg JHOP in the middle of November to share an encouraging and uplifting message. God's presence came that evening and touched many people's hearts through worship, the sermon and ministry time afterward.

Based in Montana, Dennis Reanier also is actively involved in a ministry called Revival Cry, which rescues children from human trafficking.

Please pray for him and this important ministry.

Transition is Here

Isaiah 43:19 (NLT): "For I am about to do something new. See, I have already begun! Do you not see it? I will make a pathway through the wilderness. I will create rivers in the dry wasteland."

Galatians 6:9: "And let us not grow weary of doing good, for in due season we will reap, if we do not give up."

God is moving people into position in this new season. We have heard many prophetic people say this. When it actually comes time to do it, this seems like another matter. We love to dream about it and talk about it, but not actually step into the new things because it means we may have to uproot our whole life and make a change. Change is always a challenge for most people, but God knows us best and what we need. He knows what we need and what we were made for. We just need to put more our faith and trust in Him as our Heavenly Father and that He has good things for us no matter the circumstances.

One of the biggest problem as Christians is we get comfortable and refuse to move into what we sense God is saying. Many won't even pray because we don't want to chance that He may actually speak to us and change our worlds. But to keep doing the same thing with little to no results in foolishness.

What worked in the last season doesn't always work in the new one. God operates in seasons and seed time and harvest. I believe we are moving into and have already been it a great time of harvest of souls. Look around. People are seeking and looking for answers. As believers we have the answer and it is Jesus and His kingdom come. We pay the Lord's Prayer; do we just go through the motions or actually believe He will answer it?

Don't be afraid to change or move into the next thing God has for you. It will only bring blessing and favor into your lives and the lives of many others. Harvest.

Joel 2:25: "I will restore to you the years that the swarming locust has eaten, the hopper, the destroyer, and the cutter, my great army, which I sent among you."

Prophetic Word for 2026

Given By: Dennis See

I hear the Lord saying shift and change is on the agenda.

Great shaking and upheavals of nations and a new way of hearing is coming.

Ears will be opened to the gospel.

Encounters with angels will dramatically increase and there will be an increase of dramatic encounters with angels as well as with Me.

This could be a time of great fear for many, but if you trust Me, says the Lord, it will be a time of great rejoicing and victory after victory.

It is a time of even great discernment to maneuver the waters of adversity. I have been saying that you need discernment, but there have been deaf ears turned to Me, says the Lord. Many go on as it is business as usual, but it is not that time.
